TARA VACATION RENTALS

INTRODUCING OUR NEWEST PARTNER IN SUPPORTING YOUR SUCCESS

We're always on the lookout for ways to better support our clients and guests, which is why we are so excited to partner with Plentiful Stays!

Initial furnishing and upkeep is one of the biggest hurdles to vacation rental owners.

There is a long list of supplies that need to be purchased and replenished as they wear-out. Plentiful Stays is a cost-effective, ongoing service to take care of all that for you.

SUPPLY NOW AND ON-GOING

Plentiful Stays supplies your rental's sleep, bath, and dinnerware items now and ongoing for an initial setup charge and low monthly bill.

As time passes we re-supply you as needed based on bookings data.

Skip the headache of choosing and replenishing the 100s of sleep, bath, and dinnerware items for your guests. Plentiful Stays is your turnkey solution for a well-supplied, premium guest experience.

How it Works

Your quote is based on your property's configuration. Plentiful Stays provides items that serve guests exceptionally well and perform in the vacation rental setting. We cover your sleep, bath, and dinnerware needs, for far less upfront cost than equivalent retail items.

To minimally impact your busy schedule, our system groups needed replacements into about four shipments per year. Breakage and loss between replacements are covered at no extra charge.

BILLING

- 1 *Setup Fee*
Only paid when new items are introduced (not replaced).
- 2 *Base Rate*
A monthly payment for items in-service. Because replacements are built into our service, this can go down or up depending on market prices.
- 3 *Usage Rate*
A monthly payment that varies based on bookings data. A volume discount is built-in; the more bookings the lower your costs per item.
